Building together to meet the challenge of the times.

University Library Centre — Sir George Williams Campus
Above is a view of the nine-storey terraced and recessed structure as seen from the Henry F. Hall Building. The plan, devised by the architectural firm of Sankey Werleman Guy/Blouin, Blouin has been cited for

fitting into the neighbourhood with "sensitivity" by Canadian Architect magazine which selected it for its award of excellence. The building will allow the library, as well as the Faculty of Commerce & Administration and several university departments to vacate scattered and costly rented facilities.

Vanier Library Extension — Loyola Campus
Lower illustration shows how extension (doubling Vanier Library space) will run east from the original block at left. Scattered facilities will be consolidated in the enlarged structure freeing areas for

other pressing needs. One of these is a senate chamber. Since Loyola and Sir George Williams merged, facilities have had to be rented at the PSBGM headquarters building.

National Chairman, William W. Stinson, President, Canadian Pacific Limited
"I think it is important that we have a strong Concordia in Montreal — and for people to appreciate that Concordia serves all segments of the community — all levels of society."

"So if people see this, if they want to see their city develop culturally and in economic terms, then they will see that

Concordia needs library and laboratory facilities and I believe we shall get these people on board to help us."

COACHES

SKIP ROCHETTE — Head Coach

Skip Rochette, entering his seventh year as head coach of the Concordia Stingers, has developed an outstanding reputation both on and off the gridiron. Since coming to Concordia in 1978, he has carefully developed the Stinger football program into one of the finest in Canada. In 1982, when the Concordia Stingers won their first Ontario Quebec Interuniversity Football Conference final and marched to the Canadian Interuniversity Athletic Union National semi-finals, Rochette was rewarded for his efforts by being named O.Q.I.F.C. "Coach of the Year" by his peers.

Skip's work is not confined to the Concordia football field. For the past two summers he has served as an assistant coach for the C.F.L.'s Hamilton Tiger-Cats during their pre-season camp. Coach Rochette is also the President of the Canadian University Football Coaches Association. He has also built a strong liaison within the local football circles, having directed the Concordia Football Coaches Clinic the past three years.

Skip's playing career included a four-year stint at the University of Bridgeport, (Conn.), where he quarterbacked the football team and earned a Bachelor of Science degree. In his senior year, Rochette received honourable mention on the All-New England and All-East teams and guided his team in the Knute Rochne Bowl (Division II Championship). Skip then earned a second Bachelor degree in Education at Queen's University, where he led the varsity football team to the Western Bowl. He was drafted twice by C.F.L. teams, the Montreal Alouettes in 1970 and the Winnipeg Blue Bombers in 1971. Skip earned a Masters degree in Physical Education from the University of New Brunswick, where he served as offensive Co-ordinator for the Varsity football team. He resides in Kirkland with his wife Susan and daughter Heather.

BOB HURTUBISE Defensive Co-ordinator

Bob is credited with developing the dominating Stinger league-leading defense, into one of the most demanding, cohesive units in the country. His reputation as one of Canada's most knowledgeable coaches has made him a familiar figure at coaching clinics. Bob's coaching career includes four years with Concordia and one year with the Simon Fraser Clansmen. Previously he teamed up with coach Rochette at Pierrefonds Comprehensive High School during their title days of '75 and '76.

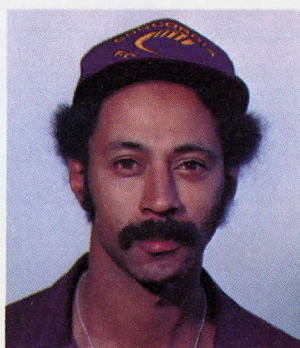

RON TONDINO Offensive Co-ordinator

Ron comes to the Stingers from the McGill Redmen, replacing departed offensive co-ordinator Wayne Commeford. His coaching background includes both the Junior Concordes and Verdun at the Junior level; the Laval Juvenile Scorpions; St. Thomas and Pierrefonds High Schools and McGill. Ron is a former junior, having played for Laval and Verdun. He graduated from John F. Kennedy High School and McGill University.

Warm thoughts for cool nights.

EMERGENCY SERVICE is considered by most Thermoshell customers to be the most important part of Thermoshell's total home heating service. They claim that knowing they can get help in a hurry is real peace of mind. With Thermoshell's Emergency Service, a skilled technician will answer your call quickly. You're assured of a professional job because our thoroughly trained technicians keep abreast of the latest technology in oil-burning equipment. And that means there's not a problem we can't solve.

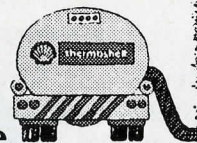

Thermoshell is more than home heat.

Of course Thermoshell's home heating service is more than just Emergency Service. It also includes an Annual Tune-up, so you can take peak performance and trouble-free operation of your furnace for granted. The Thermoshell Protection Plan guarantees you peace of mind because it provides coverage for vital parts, emergency service and an annual tune-up—all for just pennies a day, and Automatic Delivery, which means you should never run out of oil or ever have to call for a delivery.

Thermoshell. Nice warm help. Now there's a nice thought.

Thermoshell is nice warm people.

The Thermoshell Service Contractor, who does your annual tune-up, is the same person who responds quickly to your emergency call. And dealing with one person is a nice friendly way to do business. You get to know him and he gets to know your home heating system, which means he can correct any problems that come up—quickly and efficiently. What's even nicer is that he will probably turn out to be your neighbour, since, very often, he lives right in your community.

With Thermoshell it's neighbours helping neighbours to get all the nice warm help you need—all the time.

CONCORDIA UNIVERSITY — TEN YEARS OLD

Concordia University is celebrating its 10th Anniversary this year.

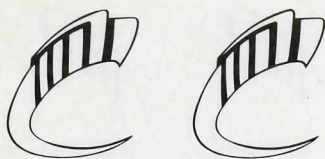

In August 1974 Sir George Williams University and Loyola College merged to form a new institution — Concordia — and students, faculty, staff and alumni will be staging a whole series of events during the months ahead to mark that happy event.

Among the celebrations planned are an open house, street festivals, exhibits at Montreal and suburban shopping

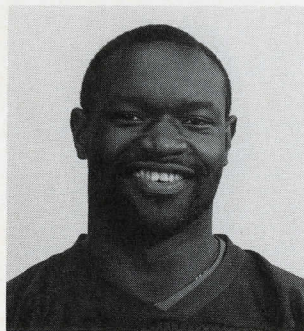

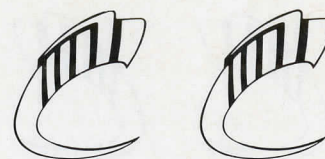

centres, lectures by distinguished alumni, film festivals, special athletic events, and much, much more.

Concordia is proud of its accomplishments during the past decade, and we hope that you will take the opportunity afforded by our year-long birthday party to share in our sense of achievement.

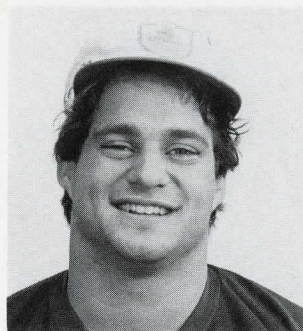

There'll be no shortage of activities to choose from, so make an effort to participate. We know that you'll enjoy what you see.

Quarterback Club

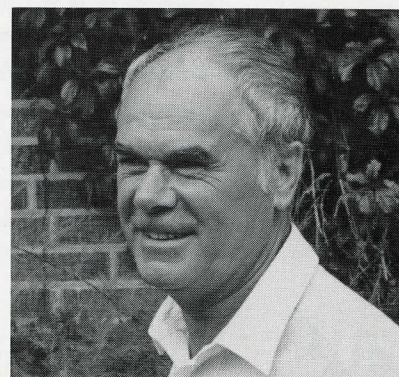

The Quarterback Club was formed during the Spring-Summer of 1984 because a group of University football supporters decided it was time to get involved. The main purpose of the Club is to support the Concordia Stingers by attending both home and away games. To reach this goal we need your support!

JOIN THE FUN — JOIN THE QUARTERBACK CLUB.

Membership forms can be picked up in the Quarterback Section in the stands or at the office in the Complex.

FORECAST '84

Even though Concordia was upset 22-21 by the McGill Redmen in last year's O.Q.I.F.C. semi-final, head coach Skip Rochette's 1983 squad was one of the finest in the country. The Stingers were experienced in key positions, they were big, and they had great depth. This year the Stingers will lack experience in the early going, having lost 12 starters including four-year veteran quarterback Colin Anderson. In addition, coach Rochette will not have the numbers he had in 1983, and so the threat of injuries to key personnel will be more critical.

However, Concordia has a fine nucleus of lettermen and recruits and should be close to the top when the regular season concludes. And, in the O.Q.I.F.C., making the playoffs means you have a shot at going all the way. In fact, last year's championship win by Queen's marked the first time in four years that the first place team in the regular season went on to win a league title.

This year, the always tough Golden Gaels, look a good bet to repeat their first place finish. They should be challenged once again by McGill and Concordia. It appears Bruce Coulter's Bishop's Gaiters are ready for some playoff action after missing out by a point last year and finishing strong. Carleton head coach 'Ace' Powell led the Ravens to fourth place in 1983 and they could be ready to move higher if somebody above falters. The rebuilding Ottawa Gee-Gees look out of the picture at this time, however, they have been the most inconsistent O.Q.I.F.C. team from season to season, which could work in their favour this year. In 1982 the Gee-Gees were 7-0, while in 1983 they dropped to 0-5-2.

A taste you can call your own.

THE SCHENLEY AWARDS

The Monde Selection is among the most coveted awards in the spirits industry. It is recognized as the "symbol of quality" by over 170 countries.

Why? Because only the Monde Selection is awarded according to both the subjective judgment of experts and the objective analysis of scientific tests.

Thus, we're very proud that in the last ten years Schenley has won more Monde Selection Awards than any other distiller in Canada.

We've earned 33 Gold, 12 Silver and 4 Bronze medals.

It's a remarkable record of achievement, confirming that when it comes to fine spirits...

Schenley is best.

SCHENLEY O.F.C.

The winner of 10 Gold medals, plus the competition's highest award...the Monde Selection perpetual trophy. Obviously, one of Canada's outstanding 8-year-old whiskies.

TROIKA VODKA

This exceptional vodka has won 5 Gold, 1 Silver and 1 Bronze. Troika has also won the loyalty of Canadians who appreciate a winning bloody mary or screwdriver.

SCHENLEY LONDON DRY GIN

The only dry gin to ever win a Monde Selection Gold medal, not once, but five times! It's the main ingredient for an award winning martini.

RON CARIOCA WHITE RUM

Winner of 2 Gold, 4 Silver and 1 Bronze, and a winner for those who appreciate the refreshing taste of rum made from pure cane spirits imported from the Tropics.
